Diversity and Non-Discrimination Policy
The University of Michigan, as an equal opportunity/affirmative action employer, complies with all applicable laws regarding non-discrimination. The University of Michigan and the Graham Institute are committed to building a diverse community in which opportunity is equal for all persons regardless of race, sex, color, religion, creed, national origin or ancestry, age, marital status, disability, sexual orientation, gender identity or expression, height, weight, or veteran status.

Graham Sustainability Institute Diversity, Equity and Inclusion Statement:
At the Graham Sustainability Institute, our dedication to academic excellence for the public good is inseparable from our commitment to diversity, equity, and inclusion. Our mission of engaging, empowering, and supporting faculty, staff and students to foster sustainability solutions includes ensuring that each member of our community thrives. We believe that diversity, equity, and inclusion are key to empowerment, and the advancement of sustainability knowledge, learning, and leadership.

If you witness or experience conduct that discriminates, stereotypes, excludes, harasses or harms anyone in our community based on their identity (such as race, color, ethnicity, national origin, sex, gender identity or expression, sexual orientation, disability, age or religion), please report it to Graham or to the University by following the procedures below.

Graham Internal Conflict Resolution Policy
The Graham Internal Conflict Resolution procedure is available to Graham staff and students who wish to submit a complaint about any action or inaction, within the jurisdiction or control of Graham, which the aggrieved alleges to be in violation of law or University policy or to be unfair, arbitrary, or capricious.

Scope of the Policy
Other University policies and procedures may apply to allegations of faculty and staff misconduct. Such matters will be governed by appropriate policies administered by other University units:

1. Complaints that faculty/staff have engaged in research misconduct will be handled by the Office of the Vice President for Research.
2. Complaints that faculty/staff have violated the University’s nondiscrimination and harassment policies will be investigated by the University’s Office of Institutional Equity.
3. Claims that faculty/staff have violated employment contracts will be investigated by Academic Human Resources.

Graham Internal Conflict Resolution Procedure
1. Graham staff and students should first seek to resolve conflicts informally through mentors or supervisors. Complaints can also be reported to the Business Manager (Graham’s HR representative).
2. If the matter is not satisfactorily resolved, staff and students may seek resolution informally by contacting the next level of Graham supervision.

3. If the matter is not satisfactorily resolved, staff and students may seek formal resolution through Graham's Director by submitting a written statement to the Director describing the alleged wrong(s), the facts which the employee or student believes support the allegation(s), and the disposition of the matter at prior informal steps (1-2 above).

4. The Director should seek to resolve the matter impartially and promptly.
   a. The Director may seek advice from the Executive Committee or establish an ad hoc committee for advice on the matter.
   b. The Director (or designated representative) will consult with the Office of Academic Human Resources and/or the Office of the General Counsel to assure correct and consistent interpretation of University policy and/or the law.

5. The Director (or designated representative) will inform the employee or student in writing about final decision and reasoning used.

Note: No adverse action may be taken against staff or students who use the conflict resolution procedure.
