- 
- An aerial photograph of a large, irregularly shaped wastewater treatment pond. The pond is dark, indicating it is full of water. It is surrounded by green grass and trees. To the left, there are several buildings and a parking lot. To the right, there is a road and more trees. The pond has a complex shape with several inlets and outlets. The text "50% Increase in Capacity" is overlaid on the right side of the pond. Two text boxes are also present: one in the top right corner labeled "Before" and one in the bottom right corner labeled "After".
- **Before**
 - 15 Million Gallons Storage
 - \$22/gal
 - 600 lb/yr Total P

50% Increase
in Capacity

- **After**
- 22.5 million Gallons
- \$16/gal
- 800 lb/yr Total P
