

## 2025 Western Lake Erie Basin Advisory Group Member Meeting

**Wednesday June 25th | 9 am – 4:30 pm**

Adrian Tobias Center, Adrian College  
Ritchie Marketplace, Adrian, MI 49221

### Meeting Objectives:

1. Engagement among Advisory Group members, Quality of Life Agency personnel, and Domestic Action Plan (DAP) project leads
2. Advisory Group learns about new water quality monitoring and wetland restoration projects during field tour
3. Advisory Group develops deeper understanding of challenges and opportunities in adopting conservation practices on farms
4. Advisory Group develops evidence-based skillsets for organizing successful meetings

### 08:30 – 9:00 am | Registration

Arrive at the Adrian Tobias Center and check in at the table at the entrance.

### 09:00 – 9:15 am | Tour Bus at Adrian Tobias Center

Please plan to be on the bus no later than 9:10, it will **depart at 9:15 sharp**.

Bring a reusable water bottle! There will be a box of snacks and a cooler of water bottles on the bus – feel free to bring other food/drinks as needed.

The bus will return to the Adrian Tobias Center by noon, and a bathroom is available on the bus.
